

1964 **Gernhart Going Strong**

This photo of Jim Gernhart was taken last summer, in front of golden glows he is proud of. Gernhart will observe the 15th anniversary of his "funeral" June 3. In 1951 Gernhart rented state armory, conducted "funeral services" and has celebrated each anniversary since that time. He has casket at his house at 251 12th St., and has masoleum purchased at Goodland cemetery.
