## Gernhart Makes Life Magazine

1

Ed Ogle, Denver representative of Life Magazine, phoned The Record Wednesday afternoon to inform us that the publication had devoted two pages, 34 and 35, of its June 18 issue to the J. N. Gernhart funeral services. Ogle and Carl Iwasaki were here June 3 to cover the funeral for Life.

Ogle said that approximately 250 extra copies of the magazine would be sent to Burlington and Goodland, as heavy counter sales were anticipated.

The editors of Life phoned us last Friday from New York. They were seeking additional minor details.
