

*Remember when Jim . . .*  
*. . . helped put Burlington*  
*on the map?*

Jim Gernhart was Burlington's most famous resident from the early 1950s to his death in 1980. Known worldwide as "The Living Corpse," Burlington residents would see Jim's pictures on the front page of newspapers of towns they were visiting while on vacation. One Burlington resident even saw his picture prominently displayed in a paper while vacationing in Hong Kong.
